

Mrs. Erskin
przyjaciółka Chopina

Karta korespondencyjna.

Two vertical lines on the left side of the page define a rectangular area. This area contains a series of horizontal lines: a solid top line, a dashed line, a solid middle line, a dashed line, a solid bottom line, and a dashed line. This layout is typical for a correspondence card where the top section is for the recipient's address and the bottom section is for the sender's address.
